- The Buyer agrees that the Operator's computer systems are operated at the sole discretion of the Operator.
- The Buyer agrees that the Operator's computer systems may be impacted by fault, error, malfunction, virus or other occasions that interrupt, howsoever, the Operator's production of Bitcoins including pursuant to the Buyer's Bitcoin Cloud Mining Contract and while the Operator will use its best endeavours to minimise and overcome such interruptions under no circumstances will the Operator be liable for any loss incurred howsoever as a result, including loss by less Bitcoin production and/or fluctuations in actual hash rate application.
- Bitcoin Calculator: The mining calculator is a third party application which does not include our management and maintenance fees which are part of our services and charged on earned Bitcoins. We are not liable for any false calculations of earnings or Dollar/Euro values. Please note that the Bitcoin price can fluctuate on an hourly basis so that values shown in fiat currency can fluctuate.
- Personal Account
- In order to purchase a package either for mining or trading on [www.gsmining.network](http://www.gsmining.network), the user has to create a personal account with the Operator providing his or her name, email address, phone number, mail address, Bitcoin wallet ID and a password. Creating a personal account is free of charge, however you have to acknowledge the terms and conditions. The user must ensure that the username and password are kept confidential at all times. In case of misuse or abuse, the Operator reserves the right to disable your personal account. The Operator will record the amount of Bitcoins produced pursuant to the Buyer's Bitcoin Cloud Mining Contract, less the Management Fee, in the Buyer's personal account from time to time. While the Operator will use its best efforts to ensure such records are accurate and up to date, the Operator makes no guarantee as to the accuracy of any such records and reserves the absolute right at its sole discretion to vary, correct or alter such records and the Buyer has no absolute right to the amount of Bitcoins recorded on the Buyer's personal account from time to time.

**Transfers and withdrawals:**

- The Operator will transfer Bitcoins produced pursuant to the Buyer's Bitcoin Cloud Mining Contract, after deducting the Management Fee, to the Buyer's designated Bitcoin wallet upon request within a 72 hour grace period and no more than biweekly. The Buyer agrees that the Operator will not make any such transfers, despite any request to do so, within 90 days of the Purchase Date.

- The Buyer warrants that he or she will only use the website in accordance with the purpose of the offered service and solely based on the T&Cs. The Buyer further agrees that he or she has the authority and means to enter a transaction. Furthermore, the Buyer warrants that he or she is the legitimate owner of the monetary sums he or she intends to exchange against a package and that he or she does not infringe the rights of any third party or applicable law.
- In addition, the Buyer agrees not to use the website or the Cloud Mining Contract whether directly or indirectly for any kind of illegal activity such as money laundering, terrorism financing or negatively affecting the performance of the website. It is prohibited to use or copy any of the information or contents of this or affiliated websites. It is prohibited to send spam or distribute any other material through the website. It is prohibited to distribute any illegal material through the website or use the website in any other way than intended by the Operators.
- The user must not collect any data from this website or its users without prior written permission by the Operator. Users must not use anonymous networks such as TOR to access our website.
- Any misuse of our services based on these T&Cs will result in the seizure of the account and any relevant funds.
- Users are responsible for maintaining the confidentiality for and integrity of their wallet including its access information. The user must notify the Operator of [www.gsmining.network](http://www.gsmining.network) immediately if the user's wallet address has changed or if there is any other change, loss, fraud or suspicion about the user's wallet or any transfers in or out of it. The Operator will not be held liable for any lost wallet information or hacked wallet accounts, nor any loss arising howsoever as a result including by theft or fraud.
- We closely observe any activities that might relate to money laundering or illegal activities. The Operator reserves the right to share users' information with third parties to ensure intended operations of the website and its security.
- [www.gsminng.network](http://www.gsminng.network) does not offer any legal, financial, insurance, tax, investment or associated advice. All transactions made are the sole responsibility of the Buyer considering his or her personal circumstances. We do not recommend anything available on the website.
- [www.gsminng.network](http://www.gsminng.network) is not responsible for any loss suffered by the user. Information such as spot prices, buy and sell prices of Bitcoins, and the rate of Bitcoin per hash per second, whether on the website or at other, non affiliated platforms are for information only and is not investment advice in any form and should not be construed as such.
- The service on our website is only offered to facilitate mining Bitcoins for use in international trade which is not regulated.
- We make no guarantees, warranties or representations whatsoever as to: (a) the future value of any Bitcoins produced; nor (b) the rate at which Bitcoins will be produced in the future applying particular hash rates, pursuant to any Bitcoin Cloud Mining Contract purchased by you.
- These terms may be terminated by either party without reason at any point of time but with prior notice. However, we may immediately terminate this agreement if the user breaches any of the clauses mentioned in our terms and conditions. In addition we reserve the right to take legal action against the user and suspend access to the website and our services. Therefore, we may block computers using user's IP address from accessing our website. In addition we may contact your Internet service provider and do such measures to block you from accessing our

- website and services. In addition, we may perform legal action against you and recover the costs from you. Especially if you try to use the website for illegal activities, violate any of these terms or fail to pay for your transaction or any fraud related to that. We also reserve the right to cancel transactions that are not paid for or not confirmed.
- We can stop supplying our service at any time without notice to you, and we reserve the right to refuse to supply the service to any person for any reason, especially if the user registers or submits a purchase under false identity or with wrong personal information, including email address, interferes with any of the company's operations or uses language that we consider is unacceptable including vulgar, racist, sexual or offensive language.

#### **Amendment, assignment, and governing law**

- We can assign our various rights under this agreement to any other person without asking your permission. Your rights are personal and not assignable.
- These T&Cs are to be interpreted so that they comply with all applicable Victorian laws and if any provision does not comply then it must be read down so as to give it as much effect as possible however, if it is not possible to give that provision any effect at all then it is to be severed from this agreement in which case the remainder of this agreement will continue to have full force and effect.
- These T&CS and our Privacy Policy are the entire agreement between the parties as to their subject matter and supersede all prior or inconsistent statements or representations as to that subject matter.
